

Nurse Practitioner (NP) & Lead On-Site Medical Provider

Pregnancy Assistance Center North (PACN)

Hours: Exempt, 36 hours/week

Pregnancy Assistance Center North is a faith-based medical ministry seeking a **Nurse Practitioner** to serve as our **Lead On-Site Medical Provider**. This role combines direct patient care with medical leadership in a Christ-centered clinic serving women and families facing unplanned pregnancies.

Key Responsibilities

- Provide comprehensive patient care within PACN's medical services
- Supervise medical staff and assist with clinic operations
- Develop and oversee medical policies, procedures, and quality assurance
- Prescribe medications, order/interpret diagnostics, and maintain EMR documentation
- Perform limited ultrasound scanning (training provided)
- Participate in on-call rotation for after-hours APR support
- Collaborate with physicians, nurses, and leadership team

Qualifications

- Committed Christian who agrees with PACN's Statement of Faith
- Current, unrestricted Nurse Practitioner license (Family or Women's Health preferred)
- National certification (AANP or ANCC) preferred
- Current BLS certification
- Strong leadership, communication, and teamwork skills
- Commitment to compassionate, faith-based, patient-centered care

How to Apply

Please submit your resume to: **execassist@pacn.org**
